St. Edward Catholic School

September 2009

FROM THE DESK OF MRS. NELL SCHELL...

Dear Families of St. Edward Catholic School,

As we get underway this school year, it is very exciting to see and hear students learning by conducting experiments, baking, interacting with Activboards, participating in a fire drill, practicing for Soccer and Volleyball, participating in Wednesday Liturgy, listening to guest speakers like Fr. Pat about the priesthood, and having fun on the playground and fields.

Thank you for helping us to kick off this school year with a smooth start by making sure your children arrive on time and prepared for the school day.

Thank you too for your cooperation with our arrivals and dismissals. I would like to remind you to please refrain from cell phone use while in carline for arrival and dismissal. Again this is for the safety of all our children and teachers.

As we begin our Soccer and Volleyball season, we invite all of you to come and "cheer" our teams on. Please look for schedules posted on the website. The Booster Club is always looking for volunteers to help out at concessions stand and it is a great way to get your Volunteer hours in.

We thank God for the cooler weather He has provided these last few days as we prepare for the fall season.

Tomorrow we will be attending First Friday Mass and invite all of you to help us celebrate the Liturgy.

As we prepare for the Labor Day Holiday, let us remember as we have in our morning prayers this week, to honor the laborers of our country. May you and your families have a safe and fun holiday.

Blessings,

*Nell Schell,
Principal*
