

First Grade Beginning Expectations Language Arts

1. Students are able to name all the letters.
2. Students are able to write all the letters in D'Nealian handwriting.
3. Students know the letter sounds including short vowel sounds.
4. Students are able to sound out short vowel words.
5. Students are able to read simple sentences of short vowel words.
6. Students express simple ideas on paper in the form of a sentence using invented spellings.
7. Students can write their first and last name keeping their letters on the lines and using the proper upper case and lower case letters.
8. Students can copy a short sentence from the board.
9. Recognize color words, number words and ordinal place words.

Attached are the first two spelling lists and reading words lists for students to practice over the summer. Reading simple sound out books during the summer would be a good idea.

First Grade Math Expectations

1. Students can count up to 20.
2. Students can write the numbers up to 20.
3. Students can match numbers to objects up to 20.
4. Students can add together numbers up to 10.
5. Students can subtract numbers with differences up to 5.
6. Students can read number words.
7. Students can recognize shapes.
8. Students can recognize patterns.
9. Students can read a calendar.
10. Students recognize and know the value of a penny, nickel and dime.

Trying to practice addition and subtraction facts would be a good activity to do over the summer.
